Purchase SameMovie Hulu Video Downloader for Mac

SameMovie offers three subscription plans: Monthly, Yearly, and Lifetime plans.

Quick Link: To purchase a license key for Hulu Video Downloader for Mac, please visit [here](#).

1. Why should I buy SameMovie Hulu Video Downloader?

SameMovie Hulu Video Downloader is a shareware, and the trial version only allows you to download the first 5 minutes of each video in HD quality. To get the full video, please purchase a license. After the purchase, you will be provided with your Registration Email and Registration key which will unlock the trial version limitation.

2. What Benefits do we have after Registration?

- Unlimited use during the subscription period without any function restrictions.
- FREE upgrades to the latest versions of the same product.
- FREE technical support.

Register SameMovie Hulu Video Downloader for Mac

Step 1: Run SameMovie Hulu Video Downloader on PC. First you should click the **Menu** icon  or the **Key** icon on the upper right, and then select **Register** option to register your program.

Step 2: Please fill in the blanks with the **Registration Email** and **Registration Code**. You can use keyboard shortcuts to copy (Command+C) and paste (Command+V) your license in the registration window.

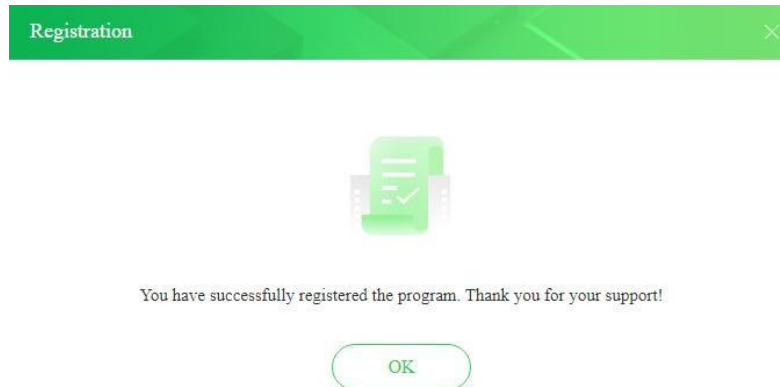

The screenshot shows a registration window titled "Registration" with a close button (X) in the top right corner. Below the title bar, there is a prompt: "Please enter your new license, [or buy a new one.](#)". There are two input fields: the first is labeled "E-Mail:" with an envelope icon, and the second is labeled "Code:" with a key icon. At the bottom of the window, there are two buttons: "Confirm" and "Cancel".

Step 3: After finishing the Registration, the limitation of the trial version will be removed.

Notice:

1. Your computer should be connected with the Internet.
2. Make sure both the Registration Email and Registration key are provided by our company after you pay the registration fee. If you have not paid, please click **Buy Now** to purchase.
3. Please make sure Registration Email and Registration key you entered are both completely and correctly, if not, an error message will pop up as below:

Step 2: Customize the Output Settings

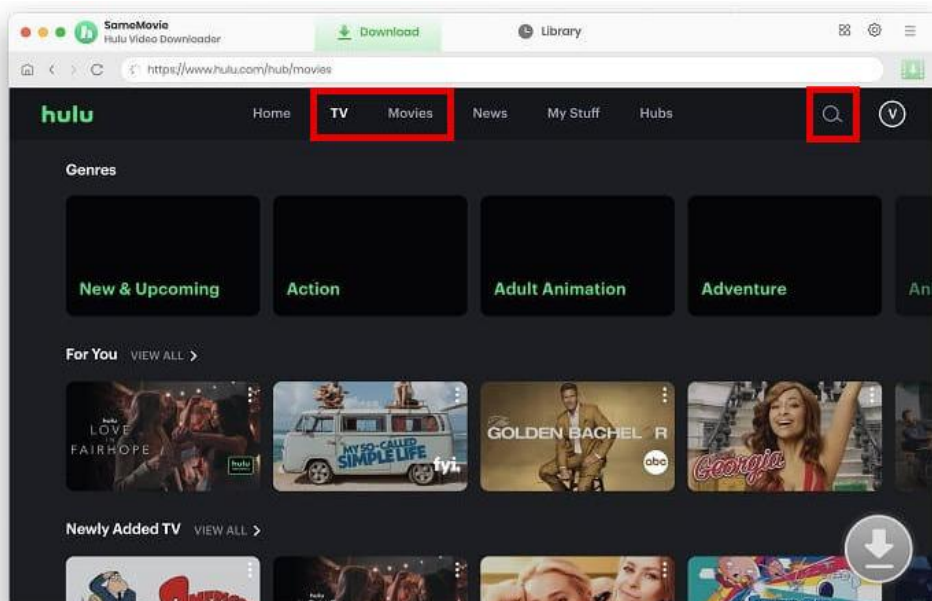

Go to the **Settings** window to choose your download settings. Here you can make the following settings for the video: video output format, video quality, output path, and select the language of audio tracks and subtitles, etc. And downloadable subtitles are also available in three formats:

- Internal subtitles: can save subtitles in multiple languages.
- External subtitles: can save subtitles as independent files, SRT file, so that you can edit them.
- Hardcode subtitles: can be permanently embedded into the video and subtitles are always available.

Step 3: Search for Hulu Video

You can browse videos under different tabs or do a precise search directly through the magnifying glass icon.
